ZARK HOLDINGS (PTY) LTD

COMPANY PROFILE

CIVIL ENGINEERING | ROAD CONSTRUCTION | GENERAL BUILDING | PLUMBING SERVICES

COMPANY OVERVIEW

Zark Holdings (Pty) Ltd is a South African construction and infrastructure development company established in 2012 and officially registered in 2019. The company has built a strong reputation for delivering quality-driven construction solutions across civil engineering, road construction, general building, plumbing, maintenance, and infrastructure development projects.

With a commitment to excellence, safety, and timely project delivery, Zark Holdings serves government departments, municipalities, private developers, and commercial clients throughout South Africa. Our approach combines technical expertise, skilled workmanship, and effective project management to ensure every project is completed to the highest industry standards.
